While in **Auckland** shop along the picturesque waterfront of this ever-expanding city, home to one-third of the country's population. From museums housing Maori artifacts to extinct volcanic peaks, this pedestrian-friendly city is the perfect combination of nature and commerce.

The "Bay of Plenty" was named by Captain Cook after the prosperous Maori villages of the region generously replenished his supplies. **Tauranga**, the chief city, is a bustling port, an agricultural and timber center and a popular seaside resort. Tauranga is the gateway to Rotorua, a geothermal wonderland that is the heart of Maori culture and New Zealand's primary tourist attraction.

Christchurch has a rich history of adventurers who used Christchurch as a gateway for Antarctic explorations. Famed explorers Robert Falcon Scott and Ernest Shackleton used the port of Lyttelton as a departure point for their expeditions.

Dunedin is the old Gaelic name for Edinburgh. Uncover this "kiwi" city's Scottish heritage roots as you meander its octagon-shaped streets and quaint Victorian buildings.

Fifteen thousand years ago, glaciers carved out **Fiordland National Park**. Witness what nature perfected over time — its snowcapped mountains, roaring rivers filled with ice and the lush green grasslands that blanket this famed wilderness landscape in southwest New Zealand.

Hobart is Australia's second oldest city and state capital of Tasmania. Home to more than 90 National Trust buildings, Hobart combines colonial character with a metropolitan lifestyle. It is the

gateway to Tasmania's other scenic attractions and a range of shore activities lets you experience the best of both worlds.

Melbourne is a huge, sprawling city with something for everyone, culture, art, fashion, and friendly Australians. It is also Australia's financial and commercial center. Easy to explore, at the heart of the city is the Golden Mile, the city's governmental and business corridor, home to hotels, shops, restaurants and theaters.

As one of the oldest settlements in Australia as well as one of the world's top travel destinations, **Sydney** offers Aussie hospitality combined with spectacular attractions -- from its dramatic harbour and cosmopolitan city center, to its protected coves, miles of beautiful beaches, and the spectacular Blue Mountains.
