Following the tour, your adventure continues as we travel north into Utah. You will pass through the Monument Valley region on your way to Moab, Utah, home of Arches National Park. Accommodations this evening will be at the spectacular Red Cliffs Lodge in Moab. All rooms are suites with water views and a unique retreat located 14 miles up the Colorado River, situated, beside the best white

river rapids, at the foot of the Red Rock cliffs. This was the site of numerous films, including Rio Grande with John Wayne. The two thousands foot sheer Red Rock cliffs are where James Stewart, Rock Hudson, and Henry Fonda have filmed on vacation and stayed. Dinner this evening will be a Cowboy cookout on the deck of the lodge with astounding views of palatial Red Buttes and the Colorado River. The rest of the evening is free to explore the lodges Museum of Film and Western History highlighting the area once familiar to Butch and Cassidy's Wild bunch and Outlaw Gang. (B, D)

Day Three ~ Moab

A full day of touring begins with a visit to Arches National Park. The park is famous for the red arches of Entrada sandstone that occur here in great profusion. Over 1,000 of these unusual formations range in size from Landscape Arch with an 89-meter span to small cavities three feet across. The evening takes you to one of the area's many wonders, Canyonlands National Park, to experience "Canyonlands By Night." Enjoy dinner at the park prior to a scenic and relaxing float trip on the Colorado River. Light and shadows are the magic of Canyon Country. The backdrop for this popular show is a star-filled, Southern Utah sky-high Red Rock canyon wall. The hosts are knowledgeable, humorous guides who love sharing the wonders of their own backyard with others, along with Indian legends, geology and history as the rock walls come alive with powerful lights, adding color and beauty. (B, D)

The carpenter, who mysteriously disappeared without payment upon its completion, completed the "miracle" in 1878 using only a T-square, a saw, a hammer and wood pegs.
